A Primer on SVP (Sexually Violent Predator) Evaluations in Virginia

5/16/2018

May 16 2018, Charlottesville VA: This special one-day program provides a 'Primer' on SVP evaluations in Virginia, with expert faculty covering an overview of the SVP process and implications for evaluations; practical steps in conducting evaluations to construct a strong SVP evaluation report; rigorous overview of paraphilia diagnoses; and overview of providing expert testimony in SVP legal proceedings. This program may meet needs of providers for renewal of SOTP certification in Virginia. This program stands alone or can be part of the May 14-15, 16 series. Registration fees: Employees of VA DBHDS facilities and Community Services Boards/Behavioral Health Authorities: \$75. Others: \$195. Cancellation fee: \$25

Assessing Individuals Charged with Sexual Crimes

5/14/2018

May 14-15 2018, Charlottesville VA: This two-day program focuses on the assessment and evaluation of individuals charged with sexual crimes in Virginia. The program provides legal background relevant to assessment involving sexual offenses, overview of paraphilias and base rates of re-offending, and discussion of a well-researched sexual offender risk assessment instrument. This program may meet needs of providers for renewal of SOTP certification in Virginia. This program stands alone or can be part of the May 14-15, 16 series. Registration fees: Employees of VA DBHDS facilities and Community Services Boards/Behavioral Health Authorities: \$150. Others: \$375. Cancellation fee: \$25

Building Young People's Resilience - with Michael Ungar PhD

4/24/2018

April 24 2018, Charlottesville VA: International expert and much-sought presenter, Michael Ungar PhD, will present a one-day program that describes an ecological approach toward understanding and supporting resilience in young people and their communities. His model of intervention creatively combines clinical practice with aspects of case management and advocacy for providers in many settings. Dr Ungar is Canada Research Chair in Child, Family and Community Resilience and Professor of Social Work at Dalhousie University. Fees: Employees Commonwealth of Virginia agencies and invited public agencies - \$75.00. Others - \$195.00 GROUP DISCOUNT AVAILABLE: contact els2e@virginia.edu Cancellation fee - \$25.00.

Conducting Mental Health Evaluations for Capital Sentencing Proceedings

3/19/2018

March 19-20 2018: This two-day program prepares experienced forensic mental health professionals to meet the demands of a capital sentencing case, in which the accused faces the possibility of the death penalty. Attorneys and others are welcome. The agenda includes statutory guidelines for conducting these evaluations, the nature of the mitigation inquiry, the increased relevance of intellectual disabilities, the process of consulting with both the defense and the prosecution, and ethics in forensic practice. Registration fees: Employees of VA DBHDS facilities and Community Services Boards/Behavioral Health Authorities: \$150.00 Others: \$375.00 Cancellation fee: \$25.00

Evaluation Update: Applying Forensic Skills with Juveniles

4/9/2018

April 9, 10, 11 2018 lectures and April 13 case exercise, Charlottesville VA: This program is especially for experienced adult forensic evaluators - who have already completed the five-day "Basic Forensic Evaluation" program (regarding evaluation of adults) and accomplished all relevant qualifications for performing adult forensic evaluation - and wish now to complete relevant qualifications to perform juvenile forensic evaluations. Registration fees: Employees of VA

DBHDS facilities and Community Services Boards: \$300. Others: \$750. Cancellation fee: \$25.

Integrating Structured Risk Assessment into clinical practice: Moving from violence risk assessment to risk management

5/24/2018

May 24 2018, Charlottesville VA: Expert Sarah Desmarais PhD, with North Carolina State University, will present a one-day program describing the rationale for the use of structured risk assessments approaches to violence risk assessment in clinical practice, and conceptualize the roles of various risk factors to inform risk management and treatment planning. Case examples will be discussed. Registration Fees: Employees of VA DBHDS facilities and CSBs and invited registrants - \$75.00. Others - \$195.00 (contact els2e@virginia.edu to see if a group discount is possible). Cancellation fee - \$25.00.

Juvenile Forensic Evaluation: Principles and Practice

4/9/2018

April 9-13 2018, Charlottesville VA : This five-day program provides foundational, evidence-based training in the principles and practice of forensic evaluation with juveniles. Content includes clinical, legal, ethical, practical and other aspects of forensic evaluation with juveniles. The format combines lectures, clinical case material, and practice case examples for evaluation of juveniles. Day five incorporates a case report writing exercise. Fees: Employees of VA DBHDS facilities and CSBs - \$375.00. Others - \$950.00. Cancellation fee - \$25.00.

Juvenile Legal Competencies: Seminar on Complex Issues

3/15/2018

March 15 2018, Charlottesville VA: This half-day (three to four hour) seminar will examine more nuanced issues pertinent to juvenile competencies and will require prior reading and involve discussion within the group and possible case presentations. The topics addressed will include youths' understanding of police interactions; youths' ability to understand and appreciate the rights to silence and legal counsel; and youths' understanding of plea bargaining and the content of written and oral plea colloquies. Fees: Employees of VA DBHDS facilities and CSBs - \$50.00.

Others - \$75.00 (contact els2e@virginia.edu to see if a group discount is possible).
